NORTHERN COLLEGE

Medical Awareness

Knowledge for everyone!

This one day seminar is perfect for the general public wanting to feel more confident when faced with certain medical situations. If you are a parent, child care provider or caregiver for the elderly, **this medical knowledge seminar will be invaluable!**

Topics covered and more :

- Recognizing and understanding medical bracelets
- How to properly use an inhaler
- Reading and understanding prescription labels
- What to do if someone has an allergic reaction
- How to use an EpiPen
- How to find allergenic information on consumer product labels
- What to do when someone has a seizure
- How to reduce a fever
- How to stop a bleed
- When to call 9-1-1
